2017 32nd IEEE/ACM International Conference on Automated Software Engineering (ASE 2017), October 30  
– November 3, 2017, Urbana-Champaign, IL, USA

---

## Submission of Camera-Ready Paper

Time stamp: 2017-08-30T12:36:00+02:00

Your file ase2017.pdf has been uploaded as file [ase17demo-demoid12-p](#).

✓ Paper size is letter.

Paper has 6 pages (limit is 6 pages).

✓ Number of pages is OK.

✓ Last page seems to be balanced.

✓ Font types are scalable.

✓ Fonts are embedded.

If you have checked and all criteria are fulfilled, you are done with this paper for now.

Your article will be further processed in the next weeks -- we will contact you in case of problems.

Please fix any reported issues and resubmit your camera-ready paper (using the URL in the author-kit e-mail).

If you have problems, e.g., with getting the fonts embedded, please visit the help section on the instructions page.

You might want to try the [per-page paper check](#) (e.g., to locate a problematic page).

Please also check your [abstract](#) if it is displayed correctly (e.g., if you have used HTML entities).

Confirmation e-mail sent to authors.
